## A Personal Update from the Bari-Complete Team

Dear Valued Customer,

At Bari-complete, we are committed to providing you with the high-quality products and dependable service you have come to trust and rely on.

Over the past two years, we have worked hard to absorb increasing costs wherever possible. However, due to continued rises in raw materials and packaging, we will be implementing a price adjustment across all Bari-complete pouch packs effective 1 June 2026. This will be our first price increase in two years.

We understand that price changes can be difficult, and this decision was not made lightly. Our priority remains ensuring that we continue to deliver the quality, consistency, and support you expect from us.

We sincerely appreciate your understanding and your continued support. Thank you for being a valued part of the Bari-complete community.

Kind regards,

**Brett Meyer**
